Rewards Program

Group Travel Reward Program

We are pleased to announce our Big Bucks rewards program for ALL Group Travel Planners. This plan provides you, the Group Leader, with a direct cash incentive for either you or your travel program.

This program exists to encourage first quarter bookings. You will earn \$1,000.00 Big Bucks for tours that you book NOW, and operate during the first quarter (January 1 – March 31). Your Big Bucks reward will be mailed after final payment and before travel.

To Qualify:

- Your group must depart with at least 20 passengers and \$20,000 revenue
- The Tour must depart in the first quarter (January 1 – March 31)
- You must make all deposits and payments on schedule

Big Bucks rewards are paid directly to you by check. This is not a future travel credit!
